General and Laparoscopic Surgery

## Patient Billing Information

Effective May 1, 2013 patients will be responsible for deductibles, co-pays, and any amounts not covered by your insurance plan. If we are in network with your insurance provider plan, all contract reductions will be taken and you will be responsible for payment on your outstanding balance. Patients with an out of network insurance plan will be responsible for any out of network fees that occur.

It is your responsibility to know your plan's network information and co-pay / deductible information.

I (the guarantor) understand that the patient billing policy for the Brazosport Regional Physicians Group Services group. I understand that I am responsible for deductibles, co-pays, and any other charges that my insurance does not cover.
